SECURITY SYSTEM COMPONENTS & ACCESSORIES

RFID Reader R1EM

Product Material : plastic housing
**Very low power consumption: static
current less than 30mA.**
Output format: WG26

Technical parameters:

Card type : EM
Environment Humidity : 10%~90%
Working voltage : DC12V±10%
Card read distance : 3~6cm

Waterproof degree : IP68
Ambient temperature : -45℃~60℃
Static electricity : ≤30mA
Dimension : 82 *42*15mm
